## 2008 Economic Stimulus Act Provides Benefits to Businesses

Congress recently passed an economic stimulus package which is intended to enhance our economy through incentives. (Public Law 110-185)

**Primary Benefit** – Encourage businesses to increase their investments in new equipment by the end of 2008.

- Increased expense limits on qualified expenditures
- 50% bonus depreciation for qualified leasehold improvements and/or capital expenditures by the taxpayer to improve, recondition or rebuild property.

**Is your facility in need of a vital repairs and/or upgrades?  
Do you have limited capital dollars allocated due to the existing economy?  
Does your company need to increase its competitive advantage?**

**RPC Mechanical welcomes the opportunity to meet with you and see how we can help you take advantage of this 2008 Stimulus Package**

- Power Plant upgrades
- Energy efficient upgrades to existing equipment
- Needed replacements and existing repairs to HVAC
- Data Centers

**Information and expertise our clients need to make educated decisions about expenses, capital investments and business strategy.**
